Festival @ Plainwell
High School

Get some practice time in this week for festival. Use it as a break between your other studies if that works best. You can take your instrument home anytime this week, just make sure it's back Monday of next week.

Please remember to have a pencil EVERYDAY for class. On the days you are not rehearsing you will need something to write on as well (ie. textbook, binder, etc). We will be doing theory for a while.

Thanksgiving Assignment; If you didn't turn this in please get this to me so you aren't failing!
